Summary of one hour session

- Opening - “what is your favorite breed of dog?” relationship builder
- Activity 1 (sort of an energizer if done in person) - “One Word” - having a group form a single word from a growing set of letters.
[Here is a .pdf explanation of One Word](#)
[Similar activity .pdf for building four letter words](#)
- Activity 2 STEM Picture Book Read-aloud: If I Built a School by Chris Van Dusen
 - Slides demonstrate the strategy of showing the language first and having students imagine what the picture will be in order to build engagement and understanding
[Video readaloud of If I Built A School](#)
- Concluding discussion of plans for April Face to Face Workshops
